### EDUCATION

#### Kyiv National Economic University named after Vadym Hetman

Information Systems and Technologies Faculty  
(Economic and basic technical knowledge)

#### QATestLab Training Center

Fundamentals of the software testing course  
(Testing theory, Mantis Bug Tracker, Jira, TestRail, Mobile testing)

certificate

#### Author's testing courses by Vadim Ksendzov

Manual testing : web, mobile  
(Git, Client-server architecture, SQL : Create, Delete, Select, From, Join.  
Testing tools : Postman, Charles, Fiddler, Jmeter, Android studio. Terminal linux.)  
I also upgraded my communication skills and technical thinking.
